## Key Aspects of Alaska Airlines' Flight Cancellation Policy

Alaska Airlines' cancellation policy includes several important guidelines, depending on the type of ticket you purchase:

### 1. 24-Hour Risk-Free Cancellation

If you need to cancel your flight within **24 hours of booking**, Alaska Airlines offers a **full refund** with no cancellation fee, regardless of the fare type. This policy applies to both refundable and non-refundable tickets, allowing you to cancel your flight without worrying about additional charges.

### 2. Non-Refundable Fares (Saver and Main Cabin)

- **Saver Fares:** These are Alaska's most affordable ticket options. While they are non-refundable, you can still cancel and receive **Travel Credit** for the amount you paid, minus any applicable fees.
- **Main Cabin Fares:** If you cancel a Main Cabin ticket after the 24-hour window, you won't receive a refund, but you may be eligible for **Travel Credit** to use on a future flight, depending on the fare rules.

### 3. Refundable Fares

If you purchase a **refundable fare**, you can cancel your flight at any time and receive a **full refund** to your original form of payment, regardless of when the cancellation occurs. Refundable fares offer the highest level of flexibility.

### 4. How to Cancel Your Flight

You can easily cancel your flight through the Alaska Airlines website or app:
